Offering Skills for Self Reliance since 1973

BRIEF HISTORY / BACKGROUND

The KIAMBU NATIONAL POLYTECHNIC(KINAP) was established in 1973 by the Kiambu community on Harambee basis (pulling together and raising funds by contributions from individual community members). Since its inception, The Kiambu National Polytechnic has produced graduates who fit globally competitive needs of modern employees and the emerging challenges.

KINAP is a (TVET) Institution under the Ministry of Education, it is registered to offer Technical and Vocational Education and Training. The Board of Governors (BOG) which is appointed by Ministry of Education in consultation with the stakeholders oversees the day-to-day running of the institution.

The core function of The Kiambu National Polytechnic is to provide education and training in TVET programs, promote research and technological development.

The Kiambu National Polytechnic KINAP is ISO 9001:2015 certified and has a holistic approach to training self-driven graduates aimed at achieving Kenya Industrialization envisaged in the Vision 2030. The Institution has actively participated in National TVET trade Fairs, Robots contests and Sports both at the Regional and National levels.

THE KIAMBU NATIONAL POLYTECHNIC VISION

A premier Polytechnic in technical training, research and innovation for global impact.

THE KIAMBU NATIONAL POLYTECHNIC MISSION
